Dearest Mother & Daddy:

I sure enjoyed talking to you today, and will call mother at home tomorrow morning. Hope she is home.

Everything is fine and I'm feeling good. It didn't take 5 minutes to get the call through!

Did you ~~hear~~ hear from Ludwig Block? How is he?

I'm on the east coast now, but can't say where. After I leave here I can tell you.

THE WILLARD HOTEL
WASHINGTON, D.C.

- 2 -

I was in Washington last week travel and had a very nice time - I stayed at the Willard Hotel - It is beautiful, and the largest hotel I have ever been in!

Please help on writing me every day as usual, and I'll try to write as often as possible. If you have Aunt Minnie's address, please send it to me!

Love,
Harold
